ANNOUNCEMENT OF NEW NATIONAL EXECUTIVE DIRECTOR

On behalf of the Board of Directors of Independent Living Canada, it is our distinct pleasure to announce the hiring of Anne MacRae as National Executive Director. Anne brings to this position over 30 years of experience in the Not-for-Profit Sector, Federal and Provincial Governments as an advocate for people with disabilities. She herself is profoundly hard of hearing and currently resides in Dartmouth, Nova Scotia with her husband, well-known activist Steven Estey and their 24-year-old son Isai who lives with Cerebral Palsy.

"The Independent Living philosophy embodies how my family and I live our lives on a daily basis. I am very excited to be given the opportunity to lead IL Canada during this unprecedented time. Living lives of independence, choice and the dignity of risk, in the community has never been so important as it is today."
